

Nextiva S1970e

Compact, DVD-Quality Ethernet Video Server

The Nextiva™ S1970e Ethernet video server is a single-port, DVD-quality encoder designed for digital video monitoring and surveillance over IP networks.

The S1970e can deliver 4CIF, 30 Frames Per Second (FPS) for single-camera applications requiring optimal image quality. With MPEG-4 SP video compression, dynamic bandwidth allocation, and dual streaming capabilities, the Nextiva S1970e helps optimize use of valuable network resources. And the S1970e is built for ease of use, enabling up to five authorized users to simultaneously monitor live video and configure other unit settings using Internet Explorer and a secure and intuitive Web browser interface.

Easy to Configure and Manage

Nextiva Control Center, an easy-to-use management portal, simplifies deployment and enables the Nextiva S1970e to be configured and administered from a single location and application. Nextiva HealthCheck™ continuously monitors the performance of the S1970e, with automated diagnostics and problem correction for greater uptime and lower service costs. The Nextiva S1970e can also be configured and managed using nDVR™, Loronix Video Manager™, or from a Web browser.

Built on accepted industry standards for easy interoperability with existing IT infrastructure and video equipment, the Nextiva S1970e is a comprehensive video encoder solution designed to deliver superior functionality, long-term investment protection, and value.

KEY FEATURES

- ✓ DVD-quality, single-port encoder
- ✓ Dual streaming, MPEG-4 SP compression, and dynamic bandwidth allocation to optimize network use
- ✓ SSL-based authentication for enhanced security
- ✓ RS-422/485 serial port to support motorized domes and cameras
- ✓ Ethernet 10/100Base-T interface
- ✓ Standards based and firmware upgradeable for investment protection
- ✓ Automated configuration, health monitoring, and diagnostics with Nextiva

Nextiva Intelligent Edge Devices address security and performance challenges across a wide range of environments and applications.

The Nextiva S1970e features DVD-quality images and secure Web video streaming for single-camera applications.
